DEPUTY COMMISSIONER

F.DO/2016/KVS(BPL)

Dated: 29/07/2016

Dear Principals,

I hope your school will progress on the lines suggested by the Hon'ble Commissioner, KVS and perform as good as other 15 KVs have performed, with staff position being worse in most cases. Also it will gain insight into itself and get inspired to act under you as its leader. I value and respect your commitment loudly made for 100% quality pass result for the year, during the recently concluded Principals' Conference. Once you achieve it in the final CBSE exam, you will not be able to measure all the good you have done to the society. It will trickle down and ripple on! And on! Please note the success of children builds your own self respect because people of success are most beloved and respected all around. Such persons are very precious!

I would like to advise:

01. You may immediately take a meeting with your PGTs and others handling Class XII and give them consultation on how to achieve their targets. Motivate them to do what you want. Become their HRE (Human Relation Engineer). Tell them how their output shall help their prospects.
02. Devise means & methods for those few children who are slow learning and are away from success, which may include MRAP, Error Analysis, academic adoption, ICT intervention, learning & writing practice, etc. and do proper monitoring. Also teachers be arranged for them.
03. You as Principal occupy the centre place, not as one suffering more under the burden of ascribed omniscience. You are the head learner engaged in. You should, therefore, display and model the behaviour of students and teachers to perform 100% quality pass. Get really actively engaged in the academics, make your wisdom visible to youngsters and teachers alike.
04. 100% pass result KVs have made difference to the far more hopeful performance, positively responded to our ideas and endeavours. You may find out with them about what extra special they have done, and do the same at your end.
05. It is all upto you to withstand the need of the hour (100% pass result in Class XII and X). No one else can succeed for you. Let academic success conjure up in your mind. Prove and reach out, and claim it as your own.

I request you to share the DO with your teachers.

I request you to acknowledge within three days.

With regards,

Yours sincerely,

(Isampal)
